

Selected Academic Institutions

- Goethe University Frankfurt
- Ernst Strüngmann Institute for Cognitive Brain Research of the Max Planck Society
- Frankfurt Institute for Advanced Studies
- Max Planck Institute for Biophysics
- Max Planck Institute for Brain Research

Selected Research Companies

- AETerna Zentaris Inc
- BayerCrop Science
- Merz
- Sanofi-Aventis

JGU Campus

- Johannes Gutenberg University (JGU)
- Max Planck Institute for Chemistry
- Max Planck Institute for Polymer Research
- Max Planck Graduate Center with the JGU
- Helmholtz Institute Mainz
- University School of Music

Selected Research Companies

- GENterprise Genomics GmbH

Mainz

■ SCHOTT AG

- Roman-Germanic Museum (Institute of the Leibniz Society)
- Museum of Natural History Mainz
- Institute of European History Mainz (Institute of the Leibniz Society)

- Catholic University of Applied Sciences Mainz
- University School of Art

Academic Institutions

- University Medical School

Selected Research Companies

- Ganymed Pharmaceuticals AG
- Institute of Translational Oncology (TRON)

Academic Institutions

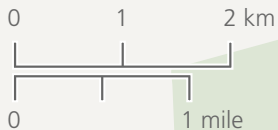

- Darmstadt University of Applied Sciences
- Darmstadt Technical University

Selected Research Companies

- Merck KGaA

■ Mainz University of Applied Sciences

- Academy of Sciences and Literature Mainz
- IBM Mainz
- IMM Institute of Microtechnology Mainz

Facts about Mainz

- Population: 200,000
- Employees in the R&D sector: 20,000
- Students: 41,000
- Infrastructure: Congress Centre Mainz (3,500 events / year)

Facts about Frankfurt

- Population: 680,000
- Employees in the R&D sector: 13,000 (over 100 research institutes)
- Students: 40,000
- Infrastructure: Frankfurt International Airport (the largest in continental Europe)

Facts about Darmstadt

- Population: 145,000
- Employees in the R&D sector: 30,000
- Students: 36,000

Facts about Wiesbaden

- Population: 280,000
- Employees in the R&D sector: 200
- Students: 6,000

Facts about Ingelheim

- Population: 25,000
- Employees in the R&D sector: 7,000
